

KEEP MOVING REGISTRATION
Walking Club Leader Training

The benefits of walking on a regular basis are rewarding to your health and spirit, and the camaraderie of a group will keep you walking on a regular basis. A *Keep Moving* leader-training event is being offered. If you, or someone you know, is interested in starting a walking club, participating in training will prepare you to recruit walkers and start a club. Clubs leaders who already lead clubs should join us for up-to-date information to share with their clubs. Currently, there are 150 *Keep Moving* walking clubs in Massachusetts. "It's good for the heart and the soles".
